Foreword

Dear Students,

This book is yours — it is a record of your experiences, troubles, triumphs, and tears. We hope that it will help you remember with nostalgia this grand year, 1956-57, and the senior class, who produced this, the seventeenth *Mesasa*.

Throughout this book you will frequently encounter these two very dear friends of ours, so it is only fair that we introduce them to you now. They have no particular name unless you'd care to give them one, but you'll find them very personable and quite like a few people that you know well.

DEDICATION

Dear Mr. Snyder,

I find it such a great honor to be in a position to represent the senior class in showing our respect and admiration for one we love. Ever since we made your acquaintance, you have brought joy into our hearts each day. The many concerts which were such a great success gave each and every one of us a feeling of pride not to be surpassed. Your patience and understanding make you a person most highly thought of by all. Your warm sophistication has indeed added to the prestige of Ottawa Hills High School.

In view of this we are most happy to dedicate the 1957 *Mesasa* to you.

Most sincerely,
Tam Kahle
Editor-in-Chief

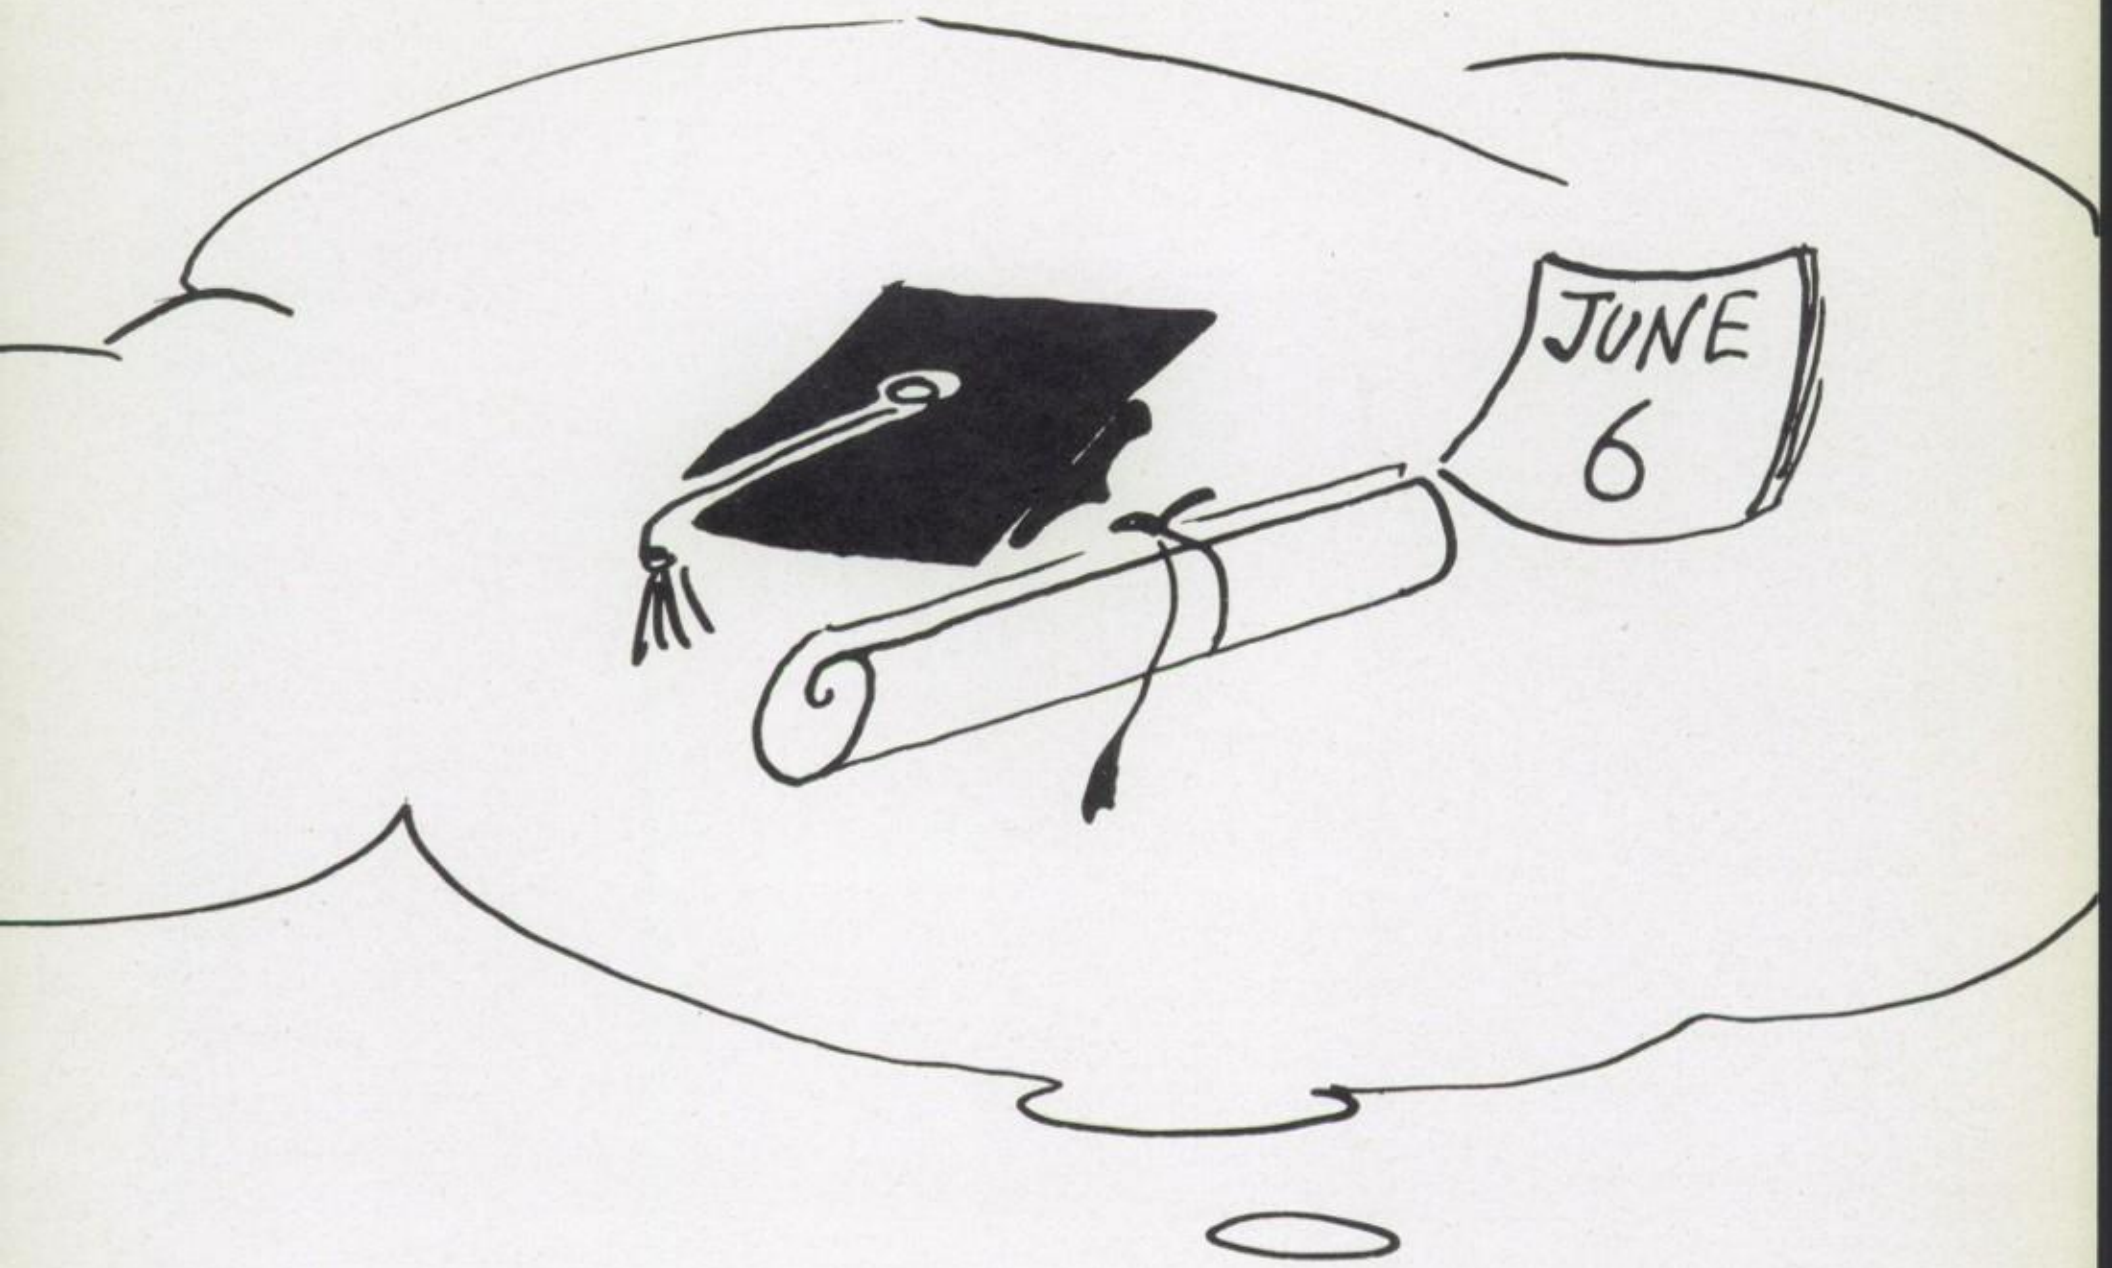
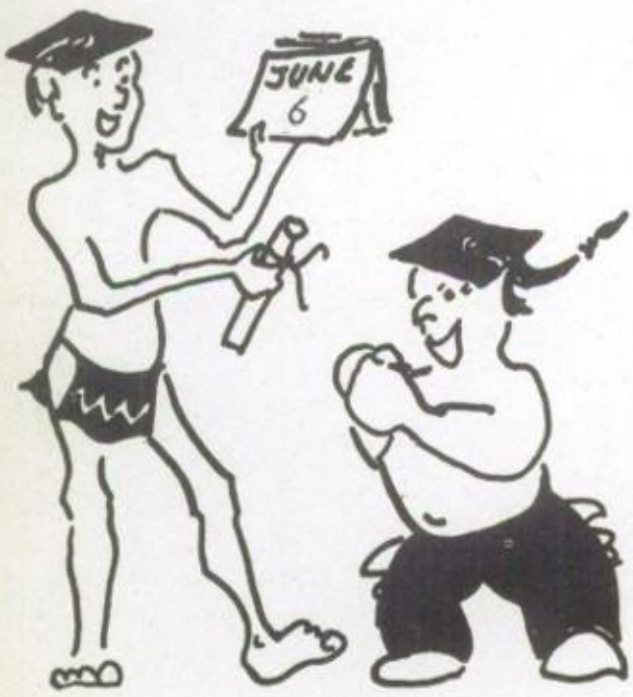
SENIORS



JUNE
6

Sitting: Sandy Goerlich, recording secretary; Donna Goodman, corresponding secretary.
Standing: Ron Shapiro, treasurer; Lee Olsen, president; Alan Dybvig, vice president.



As Seniors we have come to realize that this is our final year of high school and we will soon be "starting on our diverse ways." At the start we knew that this would be the best of our high school years, and we think we have made it our best.

The senior class has modified the senior privileges a bit and felt joyous that finally it was our turn to be recognized by the rest of the student body. We joined in the Christmas spirit by aiding a needy family, and we all worked hard to make the senior play a great success. Taking care of graduation activities and choosing a class gift were other accomplishments.

I wish to thank all the other officers and class members for their fine co-operation in this, our final year at Ottawa Hills.

JUNIORS

Sitting: Casey Carver, corresponding secretary; Sue Miller, secretary.
Standing: Hud Staelin, assistant treasurer; Mike Hartman, treasurer; Jim Skow, president; Jim Acklin, vice-president.

During our junior year, we, the class of 1958, had a wonderful time, and we feel that we have accomplished quite a bit.

In the beginning of the year, we were told by our faculty that we must put forth a great deal of effort in our scholastic endeavors. Although we did not always live up to our ideals, we have completed our third year in high school, and we are ready to be seniors.

The juniors have been very active around the school this year. We have headed many committees and held important offices in the various clubs. Our teams this year have been very successful, largely due to the help of the juniors.

We had a real job ahead of us back in January when we started working on the Prom, but it was a great success, and all our efforts were worth it.

Next year, if we are able to sustain and further our record, we will graduate knowing we have completed four wonderful years at Ottawa Hills.

SOPHOMORES

Sitting: Cathy Melhorn, vice-president; Sterling Cole, secretary.
Standing: Dick Dybvig, treasurer; Bill Skow, president.

After a long, eventful year, we have surpassed the second obstacle on the road to higher education. The class of '59 is now ready to assume the more stately role of upperclassmen. Our accomplishments this past school year have been many and varied. We have again been among the leaders in school spirit and sportsmanship. The '59ers sponsored numerous buses to athletic events, and also sponsored several dime dances. The Sophomores eagerly undertook the task of selling season passes and made a success of it. All charity drives were willingly participated in, throughout the year, by the class of '59, and of course, all school activities were unanimously supported by the sophomores.

In closing, there is only one thing that I can say, and that is thanks to a great class, on behalf of all the class officers, for all the co-operation shown us in a truly successful year.

FRESHMEN

Bill Michell, treasurer; Renny Bourne, secretary; Ed Hamway, president; Mimi Staelin, vice-president; Henry Weintraub, sergeant-at-arms.

We, as freshmen, are very proud to be the first and the largest class to enjoy the facilities of the enlarged high school. We also are very pleased with our high school scholastic record.

The freshmen class has participated in many extra-curricular activities. We have contributed to the success of our football team and basketball squad. We have not only participated in these events, but our class has had very good attendance at the games. Our class has improved its treasury and encouraged school spirit. We have given a bake sale, collected tax stamps, sponsored the traditional freshmen dance, and presented skits in pep sessions.

This being our first year in the high school, we have met many new problems and added responsibilities. Without the wonderful help of the freshman class and its officers, we could not have overcome these problems and gone on to make it such a successful year.

EIGHTH GRADE

Jim Medill, president; Debbie Harrah, secretary; John Nopper, sergeant-at-arms; Bob Radcliffe, treasurer; Sue Pillifant, vice-president.

The eighth grade hopes that it will be as fine a class as the ones that have gone on before us. We joined with the seventh grade in forming the Junior High. This is the first time this has been done in the history of Ottawa Hills. We are starting from the beginning and building up a preamble so that the classes behind us will have something to work with.

The eighth grade has contributed to various drives the high school has had such as the March of Dimes and we have contributed to the Junior High. The eighth grade sold wrapping paper to help start a Junior High treasury. One of the most important things that has been started, though, is the Junior High Student Council. In doing this, the seventh and eighth grades have created a way of getting together to figure out their problems.

I feel that the eighth grade has gained valuable experience in helping to form the beginning of the Ottawa Hills Junior High.

SEVENTH GRADE

Susan Gushman, secretary; Sandy Fogoros, vice president; Tom Kabat, president; Steffi Smith, treasurer.

As you know we are the first seventh grade to be in Ottawa Hills High School. We think of that as a great honor.

This year the seventh grade has worked hard on the Junior High Student Council. We worked on our projects with the eighth grade, making a closely-knit and efficient Junior High. We had a Junior High Christmas dance in the Multi-Purpose room at which everyone had a wonderful time. We also chartered a bus to the Archbold basketball game.

We have enjoyed this year very much with the help of our officers, and the excellent co-operation of the class.

ACTIVITIES

O. H. H. S.

Senior High Student Council

This year the Senior High Student Council had many school projects and functions. One of its greatest functions was the Homecoming Dance held on October 13. Also included in the Council's accomplishments are: the selling of football and basketball schedule pencils, book covers, student directories, the basketball attendance chart, and the annual meeting of an assembly.

The Council has proved, as an efficient and capable governing body.

Junior High Student Council

This was a very successful first year for the Junior High Student Council. They started off right by helping to promote school spirit by chartering buses to the football and basketball games. They also lined the area for bicycles and sold Christmas ribbons and wrappings. The highlights of the year were the Christmas and spring parties they had for the Junior High. If they continue as they have this year, they will surely be a credit to the high school.

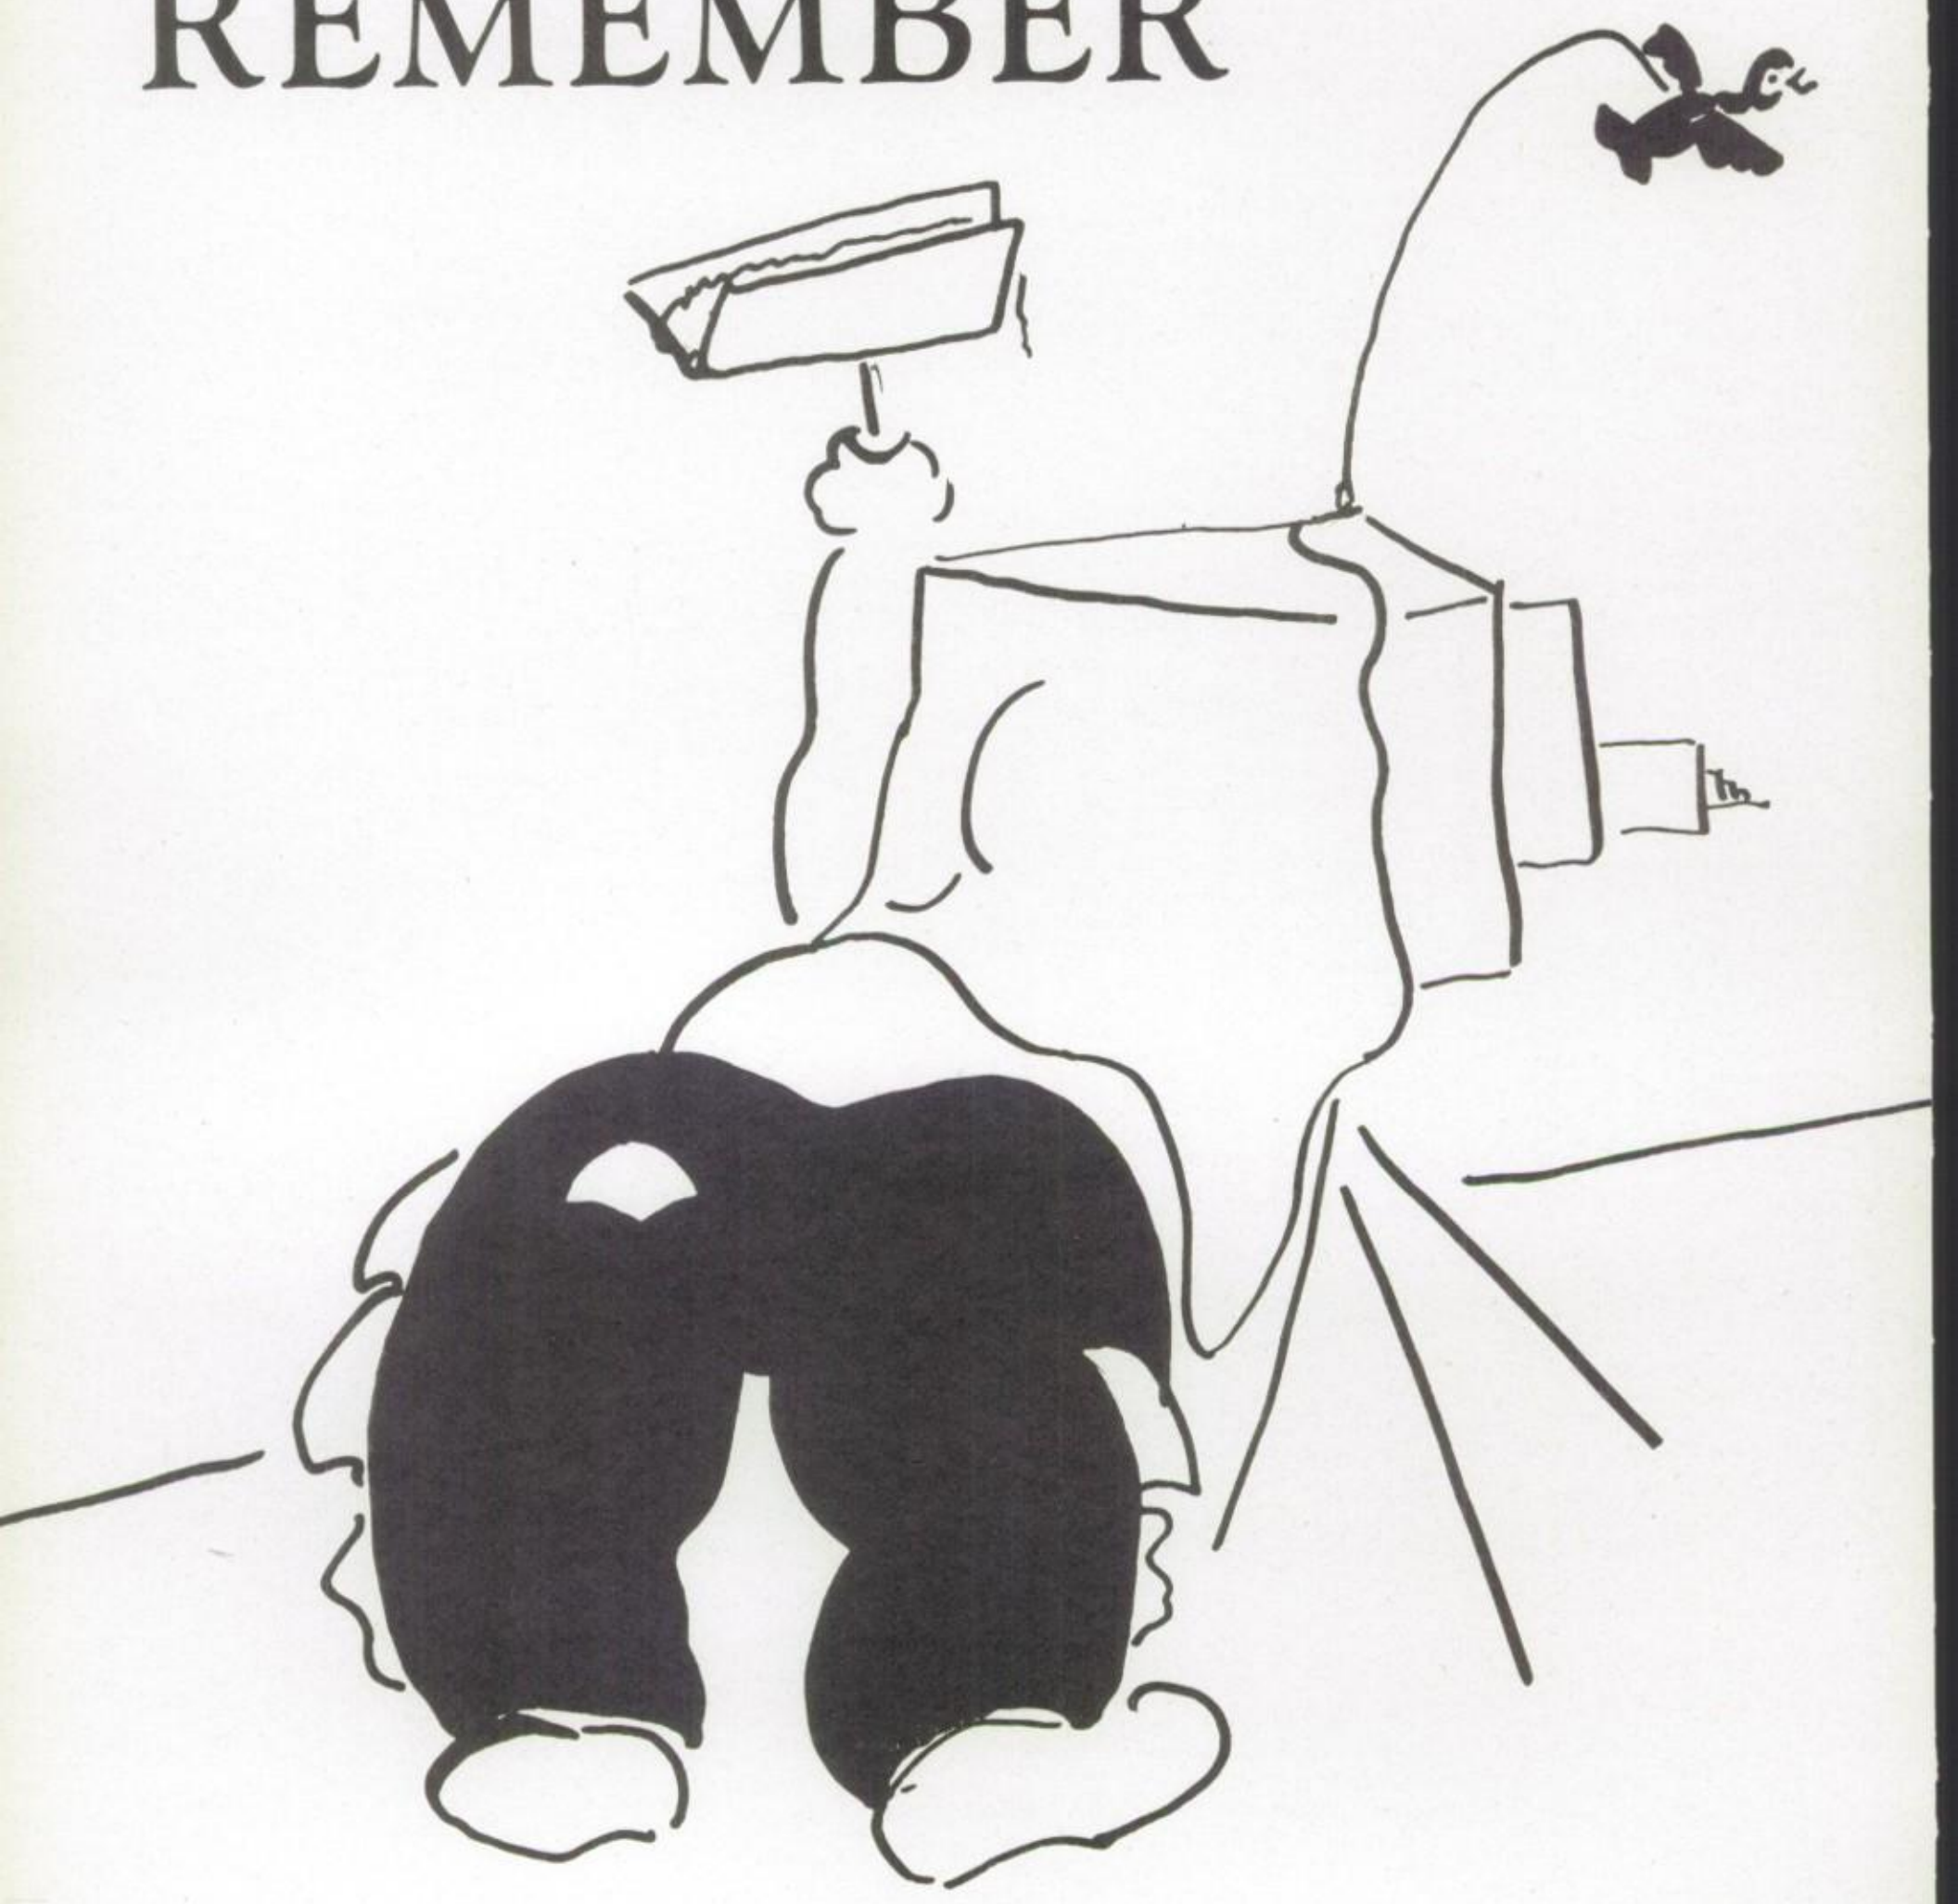
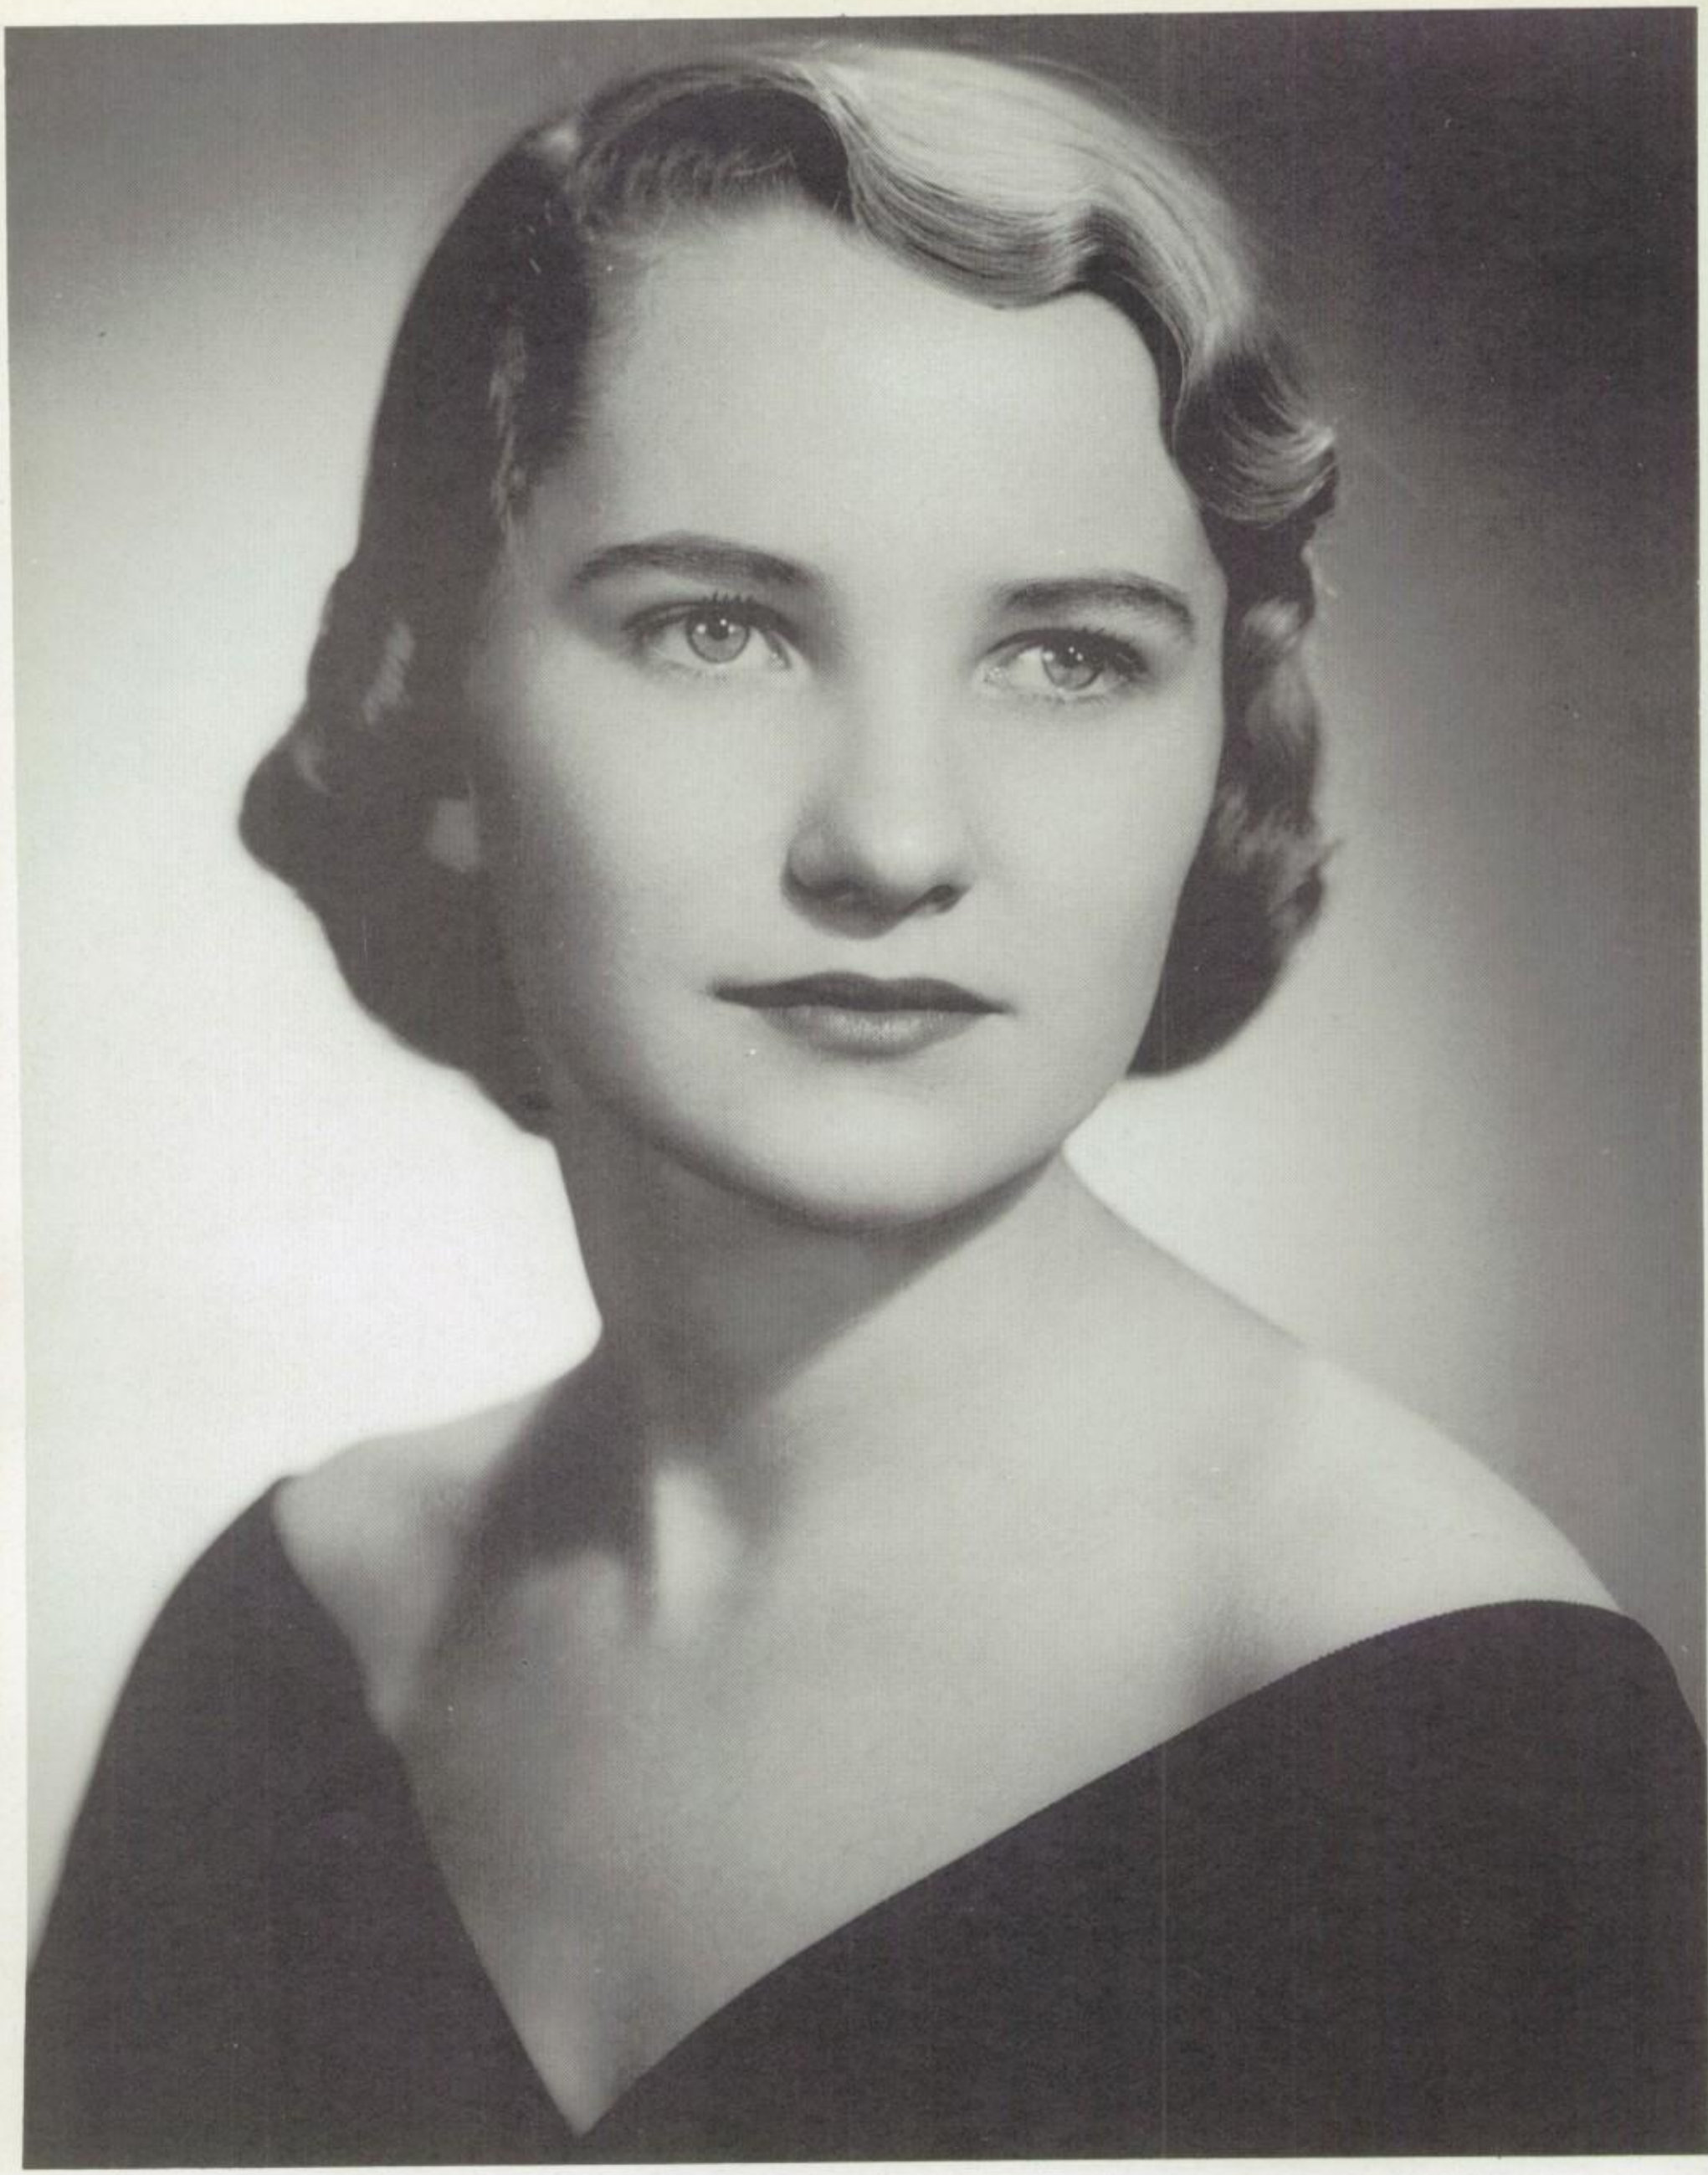
MOMENTS TO REMEMBER





Homecoming Queen, Jeanne Kabat.

Jeanne Kabat, our lovely Homecoming Queen, reigned over all Homecoming festivities, October 12 and 13. In the Homecoming Game with Archbold we were again victorious, and it was surely a beautiful sight to see the Queen and her four lovely attendants, Tito Black, Donna Goodman, Elizabeth Burns, and Ellen Smith, riding around the stadium at half-time, before the crowning ceremony.

Saturday night, a dance, given by Student Council, marked the close of the Homecoming weekend. At nine o'clock in the Muli-Purpose Room, Ron Shell's band opened the dancing, which continued at high peak until midnight.

It's certain that everyone enjoyed themselves thoroughly during this wonderful "Weekend to Remember."

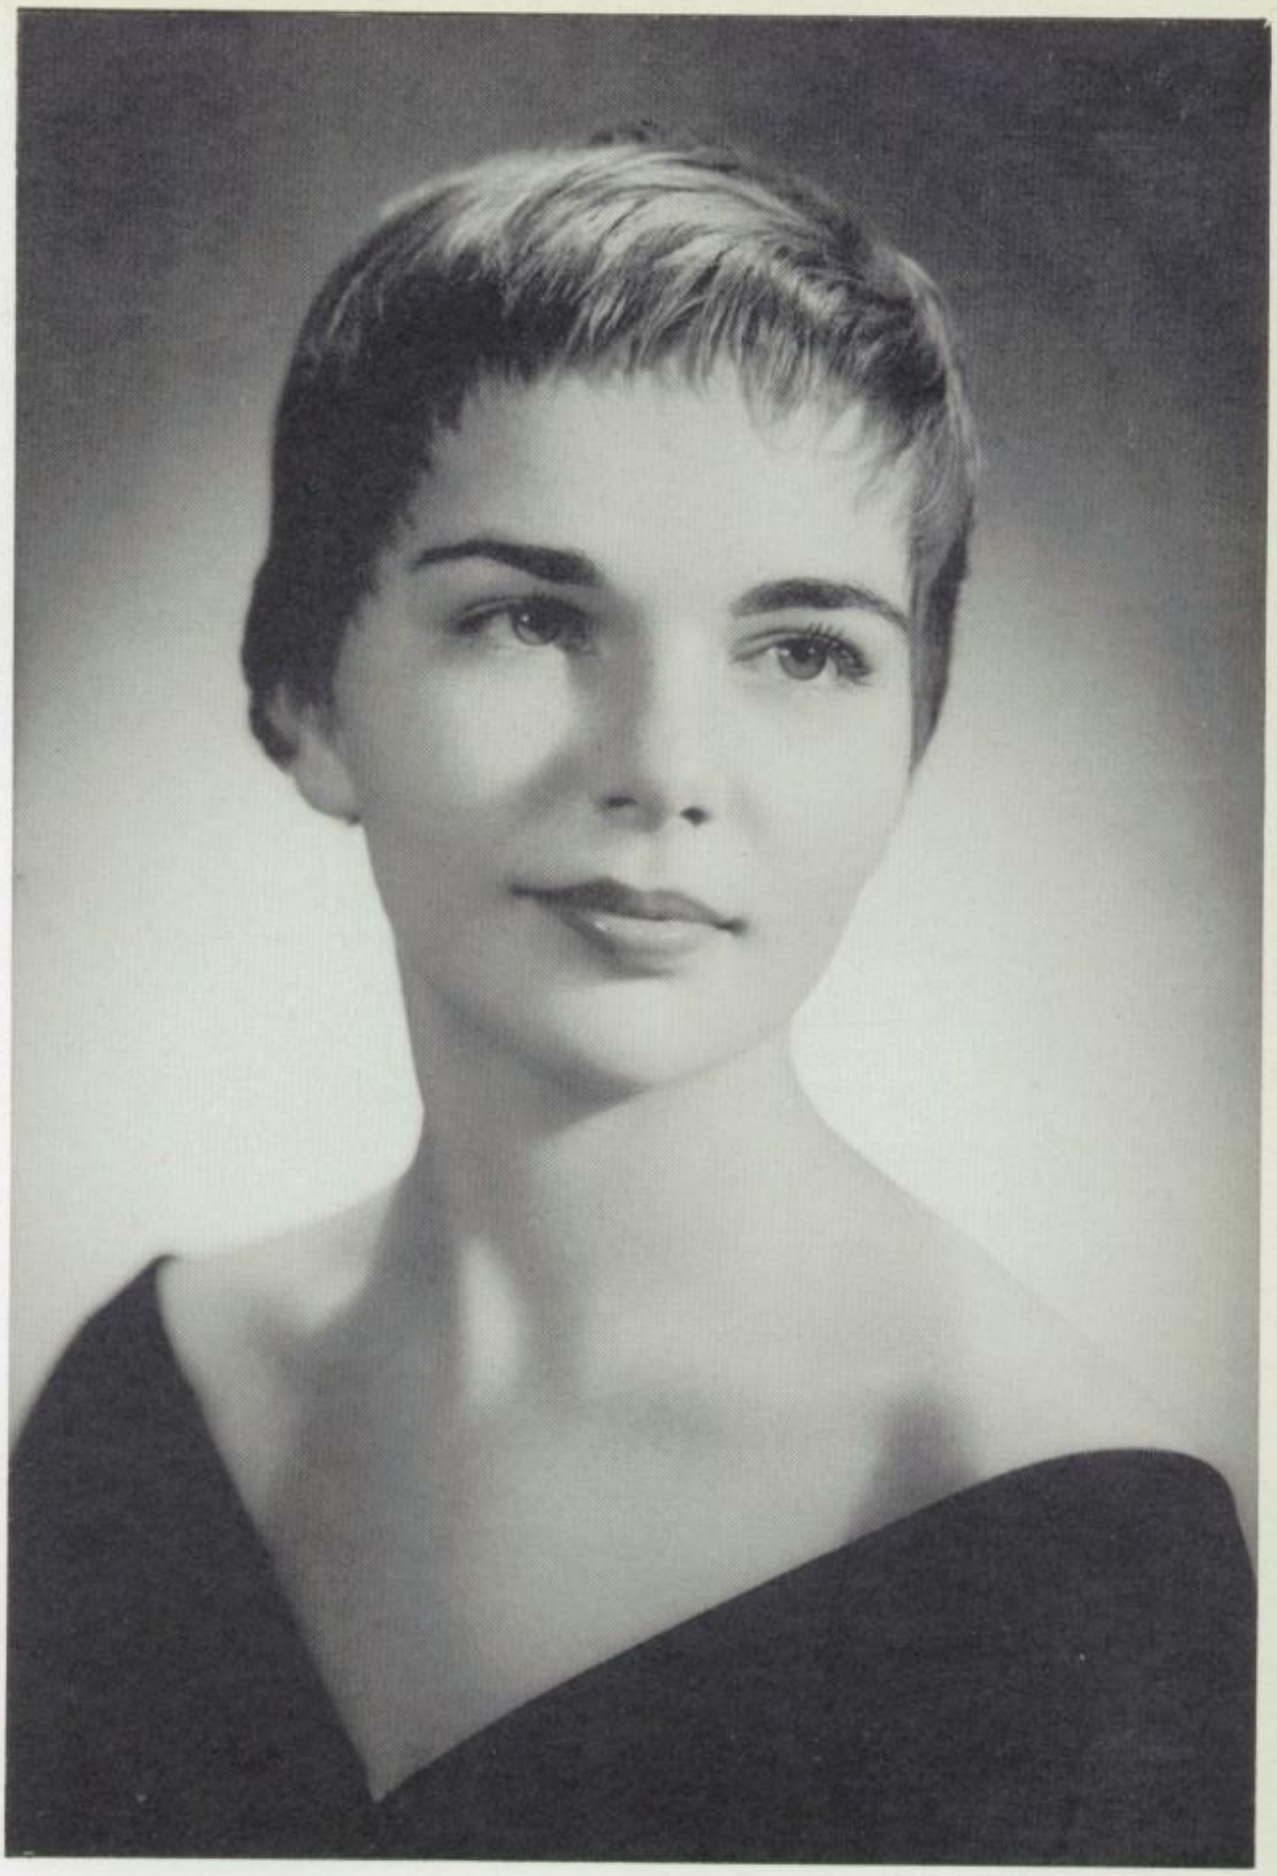
Area Y-Teens Queen

Tito Black

Tito Black was nominated by the Y-Teens to be Ottawa Hills' candidate for Area Y-Teen Queen. Tito was honored, as was Ottawa Hills, by being chosen queen by students representing a number of the Toledo area schools. Tito, a lovely queen, was crowned by vice-mayor of Toledo, Ned Skeldon, and reigned over a successful Y-Teen Dance.

Candidate for Area Student Council Dance

Donna Goodman



Donna Goodman was chosen from among three candidates nominated by Student Council to represent Ottawa Hills at the Area Student Council dance on February 2nd at the Naval Armory. The candidates from the various schools attended a tea at which the judges chose the girl who was to be crowned queen at the dance. Ottawa Hills was very proud to have such a lovely candidate representing our school.

DISTINGUISHED

Back in September, without knowing why, all students were asked to choose from their classes the most outstanding boy and girl, selecting these two as being the most representative of their respective classes.

October

. . Emily Greerson made a "blue Monday," even bluer. (the butler did it, Mr. Sattler!) Girls put "Senior Spy Ring" into operation to find out Student Council's nominations for Homecoming Queen. Jeannie, a lovely queen, inspired our team on to what appeared to be a winning season! Much jealousy among upperclassmen when the freshmen went to see Cinerama. Talent discovered in O.H. as screen tests began for Talent Show. At sunrise Senior girls could be seen taking their daily constitutional after an extremely "slumberless" party at Mouse's.

December

The month of mistletoe, merriment, shopping, giving, . . . receiving, and exchanging for proper size. Mr. Snyder directed a successful Christmas Concert, which put all in a festive mood for vacation ahead. There were many well-attended dances and parties which provided much fun for all. Forms A,B, and finally C zoomed on their ways to remind forgetful friends to write . . . inquire McBurns and Co. With the old year about to ring out O.H. students have piled up many memories . . . wasn't it fun? ?

September

. . . much sadness, 'cause new addition caused extra week of vacation. Seniors started "solid scholarship" with opening day breakfast at Jean Burch's, soon followed by first T.G.I.T. Party at Ellen Smith's. Our football team got off on the right cleat by winning the first three games. "God Bless America" and "Blue Room" filled the music room as chorus tryouts began . . . and assorted varieties of knees could be seen below bermudas and above knee socks at the Hi-Y Teen "Bermuda Hop." Notions about September being a melancholy month were dismissed at Camp Storer . . . remember? ?

November

. . . started with a bang as our football team won their last game, completing an undefeated season. In the Talent Show, sponsored by the sophomore class, it was proved that O.H. can provide talent other than blocking and tackling. Best of many inclined contestants was Tito Black, grand prize winner. Bobbie Henry had sophomore (??) open house afterward. The dress was plaid, the dance was "Highland Fling," sponsored by the Y-Teens, and the result was fun!

January

New Years was officially rung in at Randy and Judd's party . . . much merriment . . . lots of lipstick! Proceedings at O.H. halted because of snow . . . didn't stop tobogganers though. Donna was elected O.H.'s candidate for the Area Student Council Dance. It's seldom that a surprise party is really a surprise, but engineered masterfully by Mike . . . Gail was floored! Exams put a damper on the spirits of all, but two blissful days of freedom followed while teachers received eyestrain from grading them. Revenge is sweet . . .

February

... great month for ground-hogs, sweethearts, and slumber parties. Donna was radiant as O.H.'s nominee for Area Student Council Queen. Tito also honored O.H. in receiving title of Queen for the Area Y-Teen Dance. George Washington's birthday was ushered in with two slumber parties at Goodman's and Simeson's — a night memorable for early morning jeepster rides, strange bat-like creatures, and little slumber! The month ended with the basketball tournament, O.H. being victorious in one out of two games.

April

... Spring ... you know what they say about a young man's fancy in Spring! The senior play was one of the best ... An epidemic of spring fever spread through the school as deadly as the Black Plague ... unfortunately teachers not susceptible! Many soaked up Florida sunshine during spring vacation ... a perfect end to a perfect month ...

June

... strains of "Pomp and Circumstance" echoed through the halls as seniors said good-bye to Ottawa Hills ... Faculty and parents gave them a wonderful send off to college by planning some wonderful parties ... every one will remember that all night party! ... Summer vacation ahead ... and another year draws to a close ... will we ever forget it?

March

... came in like a lion! Choruses strained voices at music contests in B.G.S.U. and Napoleon ... Seniors still enjoying roaring T.G.I.T. parties ... ? ... poker ... Many birthdays, colds, and groans over scholarship tests ... Village players showed much acting ability in *The Great Sebastians* given on our new portable stage ... Seniors also turn Hollywood as Senior play rehearsals began. Short hair cuts came back into style.

May

... sunburned noses reluctantly came back to school after vacation of loafing ... The annual language banquet was crammed full of talent and good food as Latin togas, Spanish sombreros, and French berets mingled to make it a fun affair ... The spring concert was also highly successful under Mr. Snyder's direction ... Talented sewers found a chance to show their accomplishments to the theme of Showers of Flowers in the annual Home Ec. Style Show. The Juniors showed just how anxious they were to be rid of the seniors by giving one of the best proms ever!

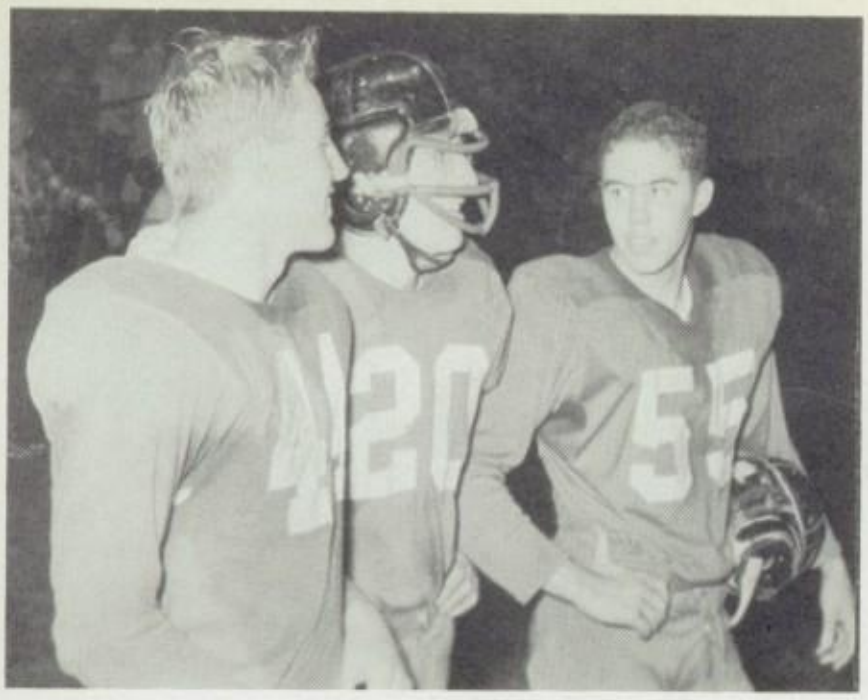
The 1956 Ottawa Hills Varsity had the most successful season in the entire school's history. The team was the uncontested Class B school champions in the State of Ohio. Again, under the capable leadership of head coach, Don Drake and assistant coach, Fred Kreutzfeld, the mighty Green Arrows posted a marvelous record of 8 wins and no defeats. This undefeated season was high-lighted with the Arrows scoring 304 points to the opponents' 12. With the winning of the last game, the team boosted its consecutive winning streak to twelve.

The team was gifted with a wealth of material in both line and backfield. The defensive and offensive lines were definite mainstays in the team's strength. The backfield had unusual depth of equal capability to produce its function as its part of our outstanding well-conditioned football team. Some members of the team practiced long and hard during the summer months to strive to attain the best physical condition possible. The benefit of these long and hard hours helped to produce an undefeated season. There were sixteen seniors graduating this year and thirteen varsity lettermen will be returning next year. The school is looking forward to next year's season hoping it will be equally as good and just as successful.



"Looks good, man, looks good!"

Second row: Dick Fain, manager; Jay Torok, Jim Hill, Jim Skow, Dave Torok, Dick Swartzbaugh, Rodger Owen, Mike Hartman, Jim White, Don Case, manager.

Coach Wayne Stewart's cagers completed one of the finest seasons in many years at Ottawa Hills. With only three losses in the regularly scheduled season, and a clean sweep of the 1957 half of the season, the Green Arrows finished as one of top teams in the state. The regulars, Gus Carver, Dick Swartzbaugh, Jay Torok, Jim White, and Jim Hill carried the brunt of the scoring, but Jim Howard, Tom Glow, and Steve Nikazy offered help when it was needed most. Rodger Owen, one of the key letter men from last year, was sidelined early in the season with an injury.

The Green Arrows were slow in getting started with poor showing against Clay, Rossford, and Perrysburg, but with each game they increased in poise and confidence. The scoring leadership was borne by each member of the starting five at least once, verifying the fact that the offensive attack was uniform and devastating against most of the opponents. The fast break, developing after the Rossford game, was very effective in breaking up a tight man to man zonal defense used by opposing teams to bottle up the keyhole.

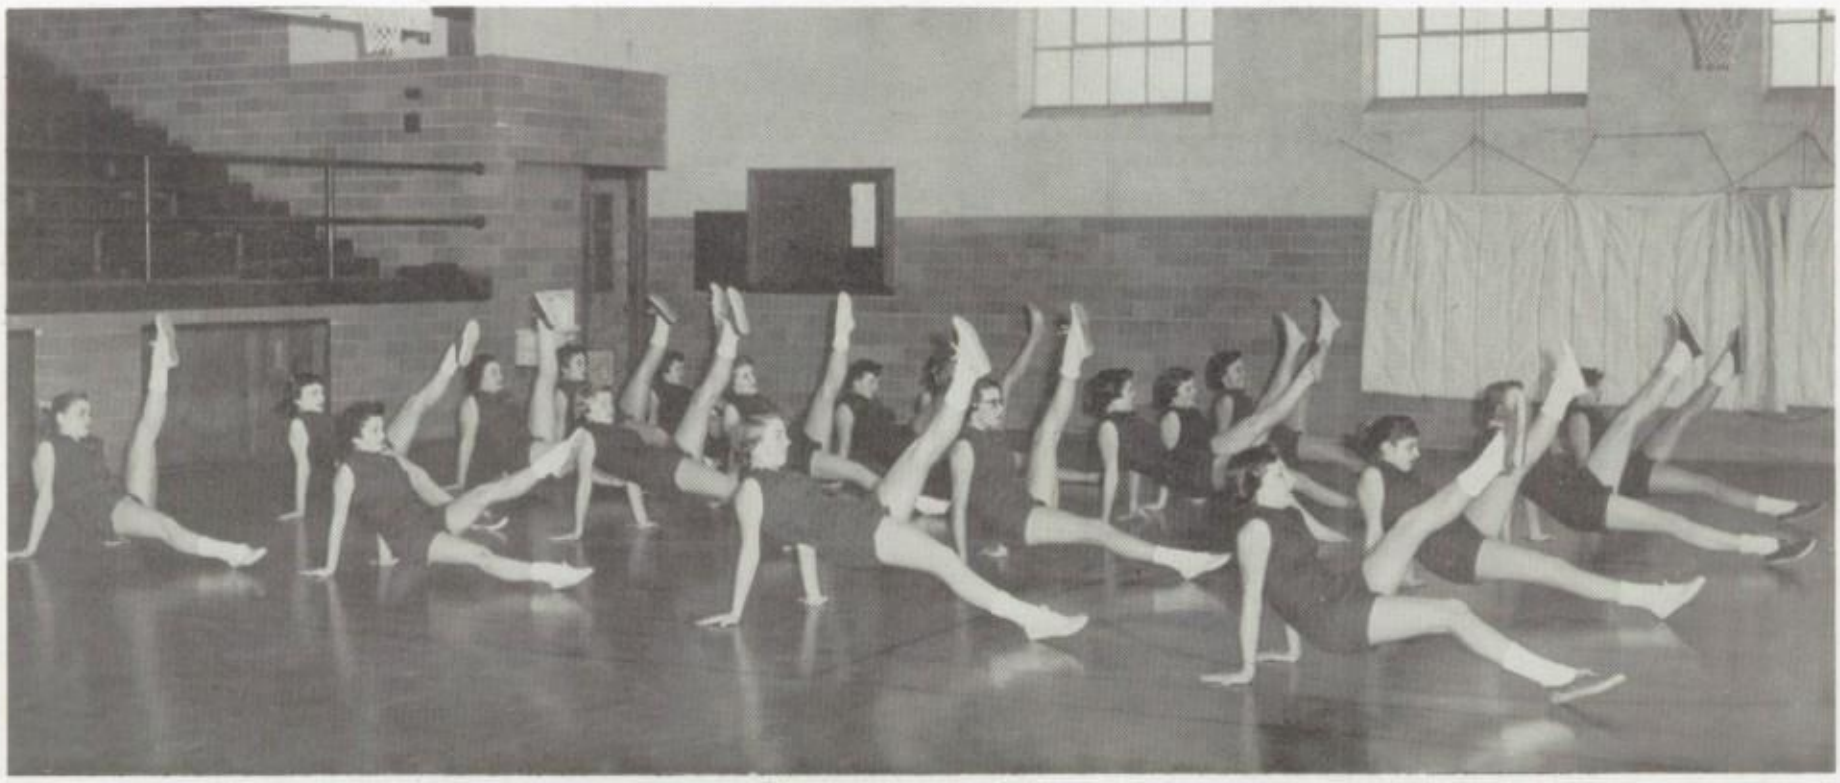
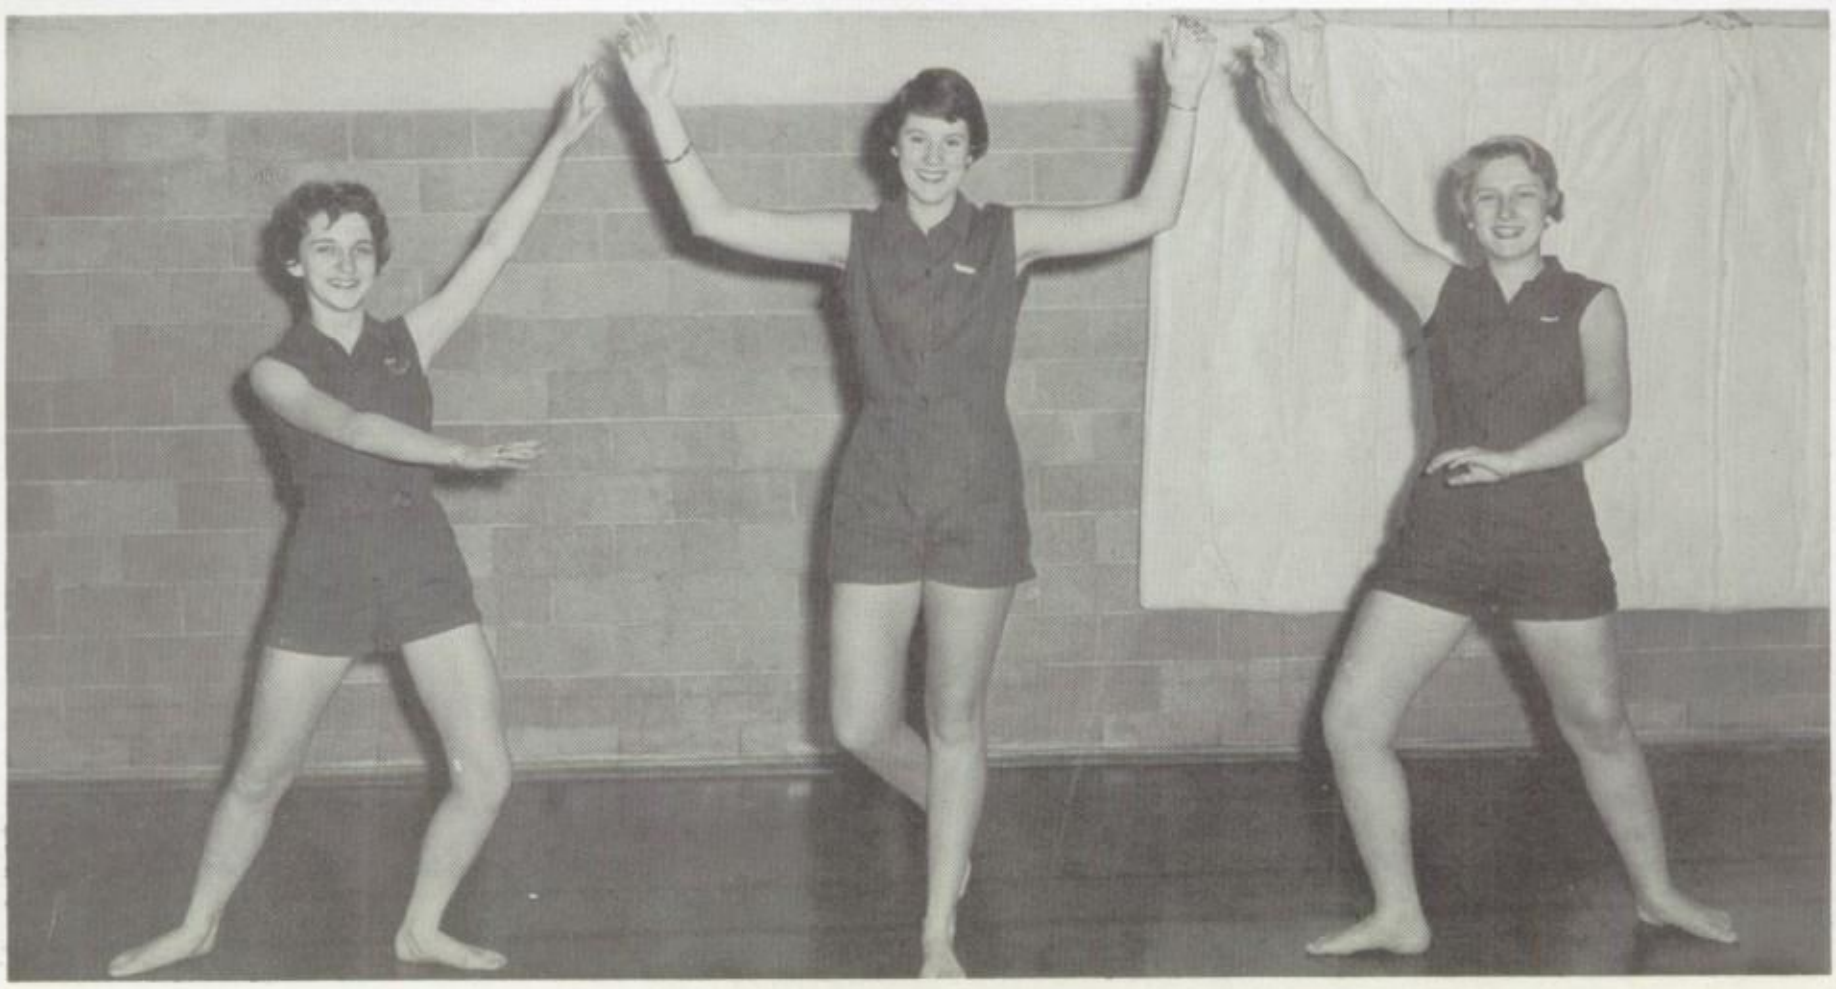
GIRLS'

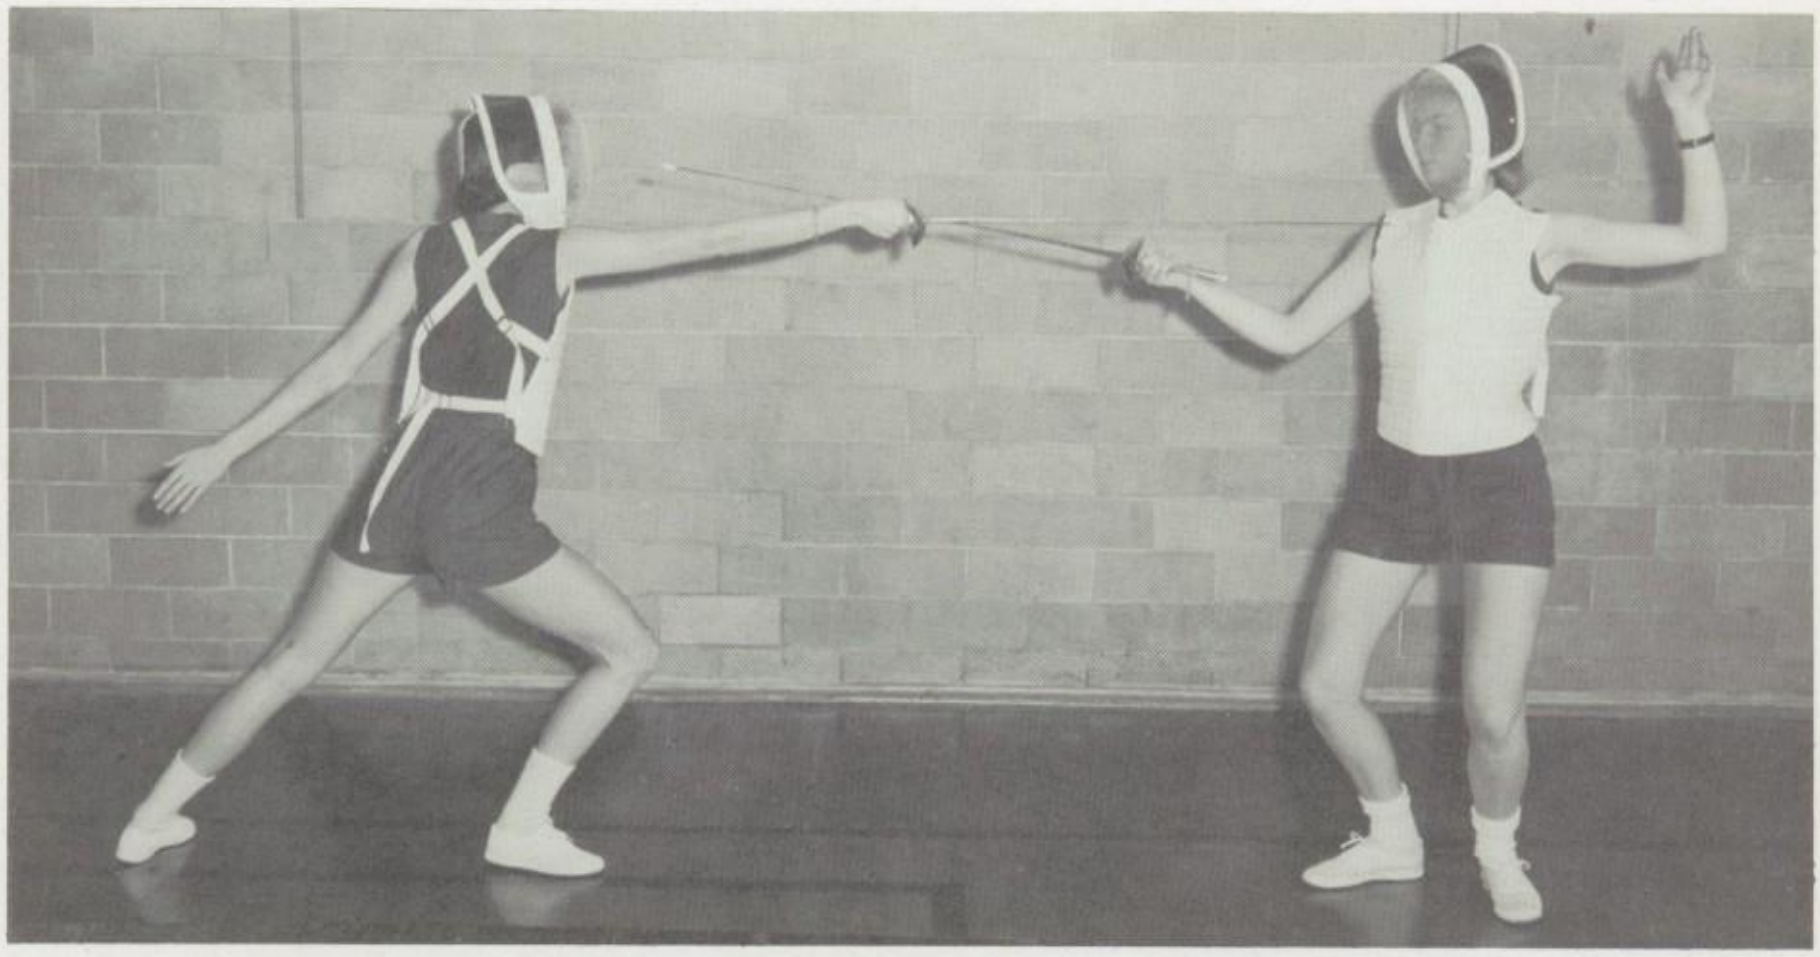


Because of her vivid interest and patience, Mrs. Striggow, also known as Sarge, has made girls' athletics an important part of Ottawa Hills High School.

She has been instructing and playing with the girls almost every Wednesday afternoon. For the first couple of weeks archery was the main sport, then hockey took over. The Ottawa Hills hockey team played games with Maumee Valley, Lake, Perrysburg, and had several scrimmages with T.U.



SPORTS



In basketball O.H. played Lake, Perrysbury, Maumee Valley, Rogers, Maumee, and T.U. Bowling also played a large part at Ottawa Hills. Each Thursday afternoon many teams bowled at the University Lanes.

We would like to give thanks to Mrs. Striggow for the fine job she has done.

Glass Has Made A Difference

Now is the time to reflect upon the "good ole' days" in school—the many friends, your favorite teachers, sports and dances and parties. But when looking at today's school architecture, we think you'll agree that glass *has* made a difference!

Here's picture-proof that school corridors don't have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you'll agree that the "good *new* days" are better.

FAMOUS FOR GOOD DEALS

Education is the knowledge of how to use the whole of oneself. Many men use but one or two faculties out of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty — how to open it, how to keep it sharp, and how to apply it to all practical purposes.
